SUMMARY OF THE REASONS FOR DECISION:

The magazine entitled *Temptation 13* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The magazine contains photographic essays and written material, which are both sexually explicit. The magazine presents male and female nudity and sexual activity involving males and females. The sexual activity includes masturbation, fellatio, cunnilingus, and vaginal intercourse. The activity appears consensual and amicable. Due to the sexually explicit content within the magazine the availability of the publication is considered likely to be injurious to the public good unless it is restricted to adults. In arriving at the classification of this publication the New Zealand Bill of Rights Act 1990 has been considered.
